

Using this index: Example: Sp08(4) is Spring, 2008, page 4. Or, as of January, 2025, by month: Jan25, May25, etc.

If the article is continued on another page, only the first page number is recorded.

Once the issue is opened, if the keyword you are seeking is hard to spot, press control-f on your computer and a field opens up where you can type the keyword. If you have comments or suggestions, please contact quarryquarterly@gmail.com .
